**6. To approve the minutes of the Planning Committee meeting held on 27<sup>th</sup> February 2019**

Proposed by Cllr. G. Preedy

Seconded by Cllr. S. Raywood

It was **resolved** to approve the minutes of the Planning Committee held on the 27<sup>th</sup> February as a correct record.

**7. To receive updates on matters arising from the minutes – for information only**

With respect to items 13, 14, 15 and 16, Tewkesbury Borough Council has apologised that the Portal was not working, due to repair works being carried out on the website. An extension of time until the 15<sup>th</sup> March 2019 has been granted for these items. To avoid being hampered by such an eventuality in the future JR will endeavour to download from the Portal relevant documents in advance.

Item 17: No more has been heard in respect of the Borough's bid for the Future High Streets Fund and, with the deadline for applications set at 22<sup>nd</sup> March, it looks unlikely that the Town Council will be able to look at and endorse the application on time.

Item 18: Tewkesbury Borough Council's Planning Committee is scheduled to carry out a site visit to 3, Saffron Road at 10.00am on 18<sup>th</sup> March. Cllr Workman has requested that the committee also observe the site from inside the Tudor Room and the Clerk has been approached to arrange access. On 4<sup>th</sup> March JR and SR met Borough Planning Officer Emily Pugh in the Tudor Room for a somewhat frustrating meeting in which every argument put forward was met with resistance, although Ms Pugh agreed that, although the onsite parking space may be, in itself, large enough to meet the required criteria set out in Manual for Streets, the access to it is so narrow that it may be very difficult to use. On 19<sup>th</sup> March JR will speak again to the Borough Planning Committee. We now have some data on lighting levels to share and JR will aim to press home the point about parking and that the scale of the property is inappropriately large for the site in such a location.

*Councillor C. Danter entered the meeting at this point in the meeting.*

**8. To note correspondence**

Tewkesbury Borough Council Conservation Officer Julian Bagg has contacted the Town Council to agree to give a presentation to the public at 6.00pm on 27<sup>th</sup> March. He has been asked to explain the Article 4 Direction; also permitted development rights and how these could be affected locally by the Planning Reforms consultation to which we responded last December. He has been asked to explain what particular characteristics of Tewkesbury he would aim to preserve absolutely and where there are areas for negotiation. The presentation will last about 30 minutes and be followed by a question and answer session. There will be refreshments and a quiet activity for children will be provided.

Gladman have requested a meeting on 27<sup>th</sup> March but the Clerk will contact them to arrange another date.

**9. Demolition of existing workshop and conversion, alteration and extension of existing garage. Installation of new front door and creation of new pedestrian access.**
