TEWKESBURY TOWN COUNCIL

E&A 18/122 To receive correspondence relating to the Environment and Amenities Committee

No correspondence had been received.

E&A 18/123 Public Participation

There were 3 members of the public in attendance.

A member of the public from Tewkesbury Park Residents Association spoke regarding item 18. They requested a noticeboard last December. The noticeboard usually purchased by Tewkesbury Town Council does not meet Tewkesbury Borough planning controls. Tewkesbury Borough Council have advised the individual that they are willing to order a noticeboard and install it, and asks that the Town Council fund it, as the advised cost is £974 + VAT which is within the original spend authorised by the Town Council.

A member of the public spoke regarding item 13. Regarding the smoking in bus shelters, will it just be stickers on bus shelters or will anyone enforce it – either by monitoring the town, CCTV or police patrol, particularly when teenagers are travelling to schools. They feel that it needs to be enforced.

It was RESOLVED to move items 13 & 18 forward in the agenda.
Proposed by Cllr Sztymiak, seconded by Cllr Powell.

E&A 18/124 To discuss and agree the erection of no smoking signs in applicable bus shelters under the Smoke-free (Signs) Regulations 2007

Cllrs discussed the issue and agreed that no smoking signs were a compliance issue and also served as a reminder to the public that bus shelters are a public space. There are six bus shelters that require signage under the Smoke-free (Signs) Regulations and ten more that require simple no smoking signs.

Action: Ask neighbouring parishes if they have erected no smoking signage and liaise with GCC regarding Stonehills and clear channel shelters.

It was RESOLVED to erect no smoking signs in applicable bus shelters under the Smoke-free (Signs) Regulations 2007.
Proposed by Cllr Franklin, seconded by Cllr Danter.

E&A 18/125 To discuss and agree the next steps regarding the noticeboard for Lincoln Green

The Town Council received correspondence from the Borough Council regarding the noticeboard for Lincoln Green on 4th March. The location referred to; adjacent to the vehicular issue to the Borough Council offices, is not one that was originally discussed with the Town Council and although the Town Council continue to have reservations about the location, they accept that this is where the Borough Council and Residents Association wish to install the noticeboard.

TEWKESBURY TOWN COUNCIL

The preferred design is a noticeboard that will match the wayfinder signs. The Town Council have requested details from the Borough Council but these have not yet been received. The noticeboard is the same size as the originally proposed noticeboard (2 panel, fitting 12 A4 sheets).

The Borough Council have requested that the Town Council donate the noticeboard to them, in order to remove the need for a licence and any legal agreement. Councillors continue to have concerns regarding releasing the ownership, as it then becomes a community noticeboard that the Town Council has paid for. Councillors would prefer that the Town Council remains the owner and that the normal procedure is used for placing notices within it.

It was RESOLVED that subject to the committee seeing and agreeing the proposed noticeboard design and cost, and Tewkesbury Town Council remaining the owner of the noticeboard, it would purchase a noticeboard for Lincoln Green in the requested design. Authority was delegated to the Chairman to deal with this matter on behalf of the committee.

Proposed by Cllr Danter, seconded by Cllr Powell.
