Observations:		
No objection		

P.19.171 To note any additional information on the Planning Portal regarding applications to which this committee has already responded and agree further actions

60, High Street – The Borough Officer has brought to JR's attention this application, which has been on the Planning Portal for some time but was not in our in-tray, although it should have been. It will have expired before the next meeting. Looking at the application informally, the committee sees no reason to object to it.

Action: JR will inform the Borough officer of this view and consult the Town Clerk in respect of further actions required.

P.19.172 To note the decisions made in September, in respect of planning applications to Tewkesbury Borough Council

Noted

P.19.173 To review the budget report of the Planning Committee from 1st July to 30th September 2019

Reviewed. It is noted that the new accounting software presents the information in a more positive light than the old one did.

P.19.174 To discuss and agree on a draft committee budget for financial year 2020/21 and to consider the budget requirements for 2021/22 and 2022/23

- In the light of the transfer of responsibility for Community Development Planning having passed to this committee from Environment and Amenities, there will have to be a cost centre for it from the next financial year onwards. It is proposed that £1,000 be made available in the new cost centre, for the year 2020-21.
- It is proposed to earmark the £2,000 for communication and display equipment from the year 2019-20 and to request a further £1,000 for that purpose for the

year 2020-21, in order to ensure that sufficient funds are available with which to make the purchase of appropriate equipment during the course of that year.

- It is proposed that any unspent money from the Outreach budget go into general reserves.
- It is proposed that the Outreach budget for the year 2020-21 should be £500.
- With regard to future years, the Planning Committee will review its list of possible projects on which CIL money could be spent, before the end of this calendar year. It foresees no reason to suppose that it will need to increase the overall size of its budget during the next five years, but will not wish to reduce it either, while it expands its public engagement activities.

P.19.175 To note that the Borough Plan is out for consultation until 18th November 2019 and that all representations must be made by that date
www.tewkesbury.gov.uk/boroughplan

Noted

P.19.176 To discuss arrangements for the next Planning Open Forum Meeting, scheduled for 13th November and agree any actions

The topic of the next Open Forum Meeting, on 13th November, is likely to be the M5, junction 9, the A46 and the Ashchurch Masterplan, or Tewkesbury Garden Town, although confirmation from the Borough is still awaited. This is likely to attract larger numbers of visitors, including councillors from neighbouring parishes, so we will probably need to hold it in the Corn Exchange and borrow a PA system from somewhere. We will also need to supply refreshments on a larger scale than hitherto. It is proposed that this committee approve the hire of a PA system and the purchase of refreshments, for a total sum of up to £150.

Proposed by Cllr. H. Davis Seconded by Cllr. S. Raywood.
It was **resolved** to **approve** the proposal.

There being no further business, the meeting closed at 19:48.

Signature of Chairman
