An email has been received from Tewkesbury Borough Council, cancelling the TTRP meeting that was scheduled to take place today.

The Town Council has been informed that there is an ongoing enforcement investigation into an unauthorised extension in Feltham Way. No further information is known, but it is worth noting that these things do happen and that people ought to be encouraged to seek planning advice prior to making alterations to their houses.

NALC has requested that Local Councils respond to three consultations that are they are circulating at the moment. We will look at one of these this evening. Of the other two, which not to urgent, both are relevant to this committee but one also has relevance for the Finance Committee. It may be appropriate for the two committees to consider that one together.

The Town Council has received positive and encouraging feedback to its response to Gloucestershire County Council's Local Transport Plan consultation in March.

<p>The Town Council considers the proposed amendment to the parking arrangement to be an improvement because the view from the street will no longer be dominated by cars.
