The committee noted that these two items will be considered at a meeting of the Wychavon District Planning Committee on 31st March at 10.00 am. The recommendation from Planning Officers is that both applications should be approved. This committee has previously prepared and had approved by Full Council, detailed representations, describing a wide range of issues that it has with these applications and strongly making the point that the people of Tewkesbury must not pay the price of these developments, in the form of negative impacts on our own services, road and sewerage infrastructure, flooding and air quality.

The deadline for making a representation to the Wychavon District Planning Committee is 28th March.

The Town Council's Planning Committee discussed this item and took the view that members of the committee should represent the council at the committee meeting at Wychavon. Cllr. H. Bowman and Cllr. C. Danter will represent the council and will discuss the nature of this representation with the committee chairman.

Meeting closed at 20:45.
