**MEN'S TOUR OF BRITAIN CYCLE RACE SPECIAL EVENT ORDER 2022**

WHEREAS the Gloucestershire County Council ("the Council") being the Traffic Authority for various roads within various parishes and wards within Tewkesbury Borough, Cotswold District, Stroud District and Gloucester City as defined in the Schedules below ("the Roads") is satisfied that traffic along the Roads should be prohibited and restricted for the purpose of facilitating the holding of a relevant event namely the Men's Tour of Britain Cycle Race 2022.

NOW THEREFORE the Council in exercise of its powers under Section 16A of the Road Traffic Regulation Act 1984 (as amended by the Road Traffic Regulation (Special Events) Act 1994), hereby makes the following Order: -

1. Except for pedestrian access to properties, no person shall proceed nor cause or permit any Vehicle, Motor Vehicle, horse rider, leading or driving of horses or any other animal(s) or non-event cyclist to enter or proceed along the length of the Roads as described in Schedule 1, Schedule 2 and Schedule 3, or any parts thereof (including the junctions linking the said roads unless otherwise indicated).
2. There shall be no stopping, parking, waiting (including for the loading and unloading of goods) along the Roads and for the times specified as described in Schedule 1, Schedule 2 and Schedule 3.
3. Provisions relating to speed limits either by Order or by virtue of street lighting (Restricted Roads) are hereby suspended on the Roads and for the times specified in Schedule 1, Schedule 2 and Schedule 3 in so far as they relate to any Vehicle officially accredited to the event or Vehicle to be used by the Police, Fire Brigade or Ambulance or any Vehicle used in pursuance of statutory powers or duties during the period that the Roads are closed and/or restricted.
4. One Way Restrictions as described and for the times specified in Schedule 4 will be implemented to ensure good traffic management and the safety of motorists during the event.
5. Nothing in Articles 1 and 2 of this Order shall render it unlawful to cause or permit any Vehicle to enter or proceed along the length of road to which the article applies if it is necessary to do so to enable: any Vehicle officially accredited to the event, or the Vehicle to be used for the removal of any obstruction to traffic, or the Vehicle to be used for Police, Fire Brigade or Ambulance purposes, or the Vehicle, if it cannot conveniently be used for such powers in any other road, to be used in pursuance of statutory powers or duties or in connection with any building operation or demolition, the maintenance, improvement or reconstruction of the road of any sewer or of any main pipe, wire or cable or any apparatus for the supply of gas, water or electricity or of any electronic communications apparatus as defined in Schedule 2 to the Telecommunications Act 1984, any Vehicle to operate as directed by an event official/race steward or a police officer.
6. This Order is required to facilitate the holding of the Men's Tour of Britain Cycle Race 2022. Save as provided by this Order, vehicular access to and from premises along the lengths of the Roads specified in Schedule 1, Schedule 2 and Schedule 3 will not be

permitted (unless stated). The restrictions contained herein will not apply to such pedal cycles or other Vehicles being used in connection with the event (including those used for stewarding, crowd management and traffic management purposes), or to anything done on the direction or within the permission of a police officer or an event official or race steward. Emergency access will be maintained for Police, Fire Brigade and Ambulance purposes and for organisations responsible for dealing with the loss of supplies of gas, electricity, water or electronic communications, to premises within the immediate vicinity of roads specified in Schedule 1, Schedule 2 and Schedule 3 and for the removal of any obstruction to traffic.

7. The Council is satisfied in accordance with Section 16A(3) of the Road Traffic Regulation Act 1984 (as amended) that the event to which this Order relates cannot be held elsewhere than on a road. Such is the length of the route and the nature of the restrictions and closure; the Council does not consider it practical to recommend alternative routes for traffic.
8. For as long as, and to the extent that, traffic signs (authorised under the Traffic Signs Regulations and General Directions in force on the date this Order is made) indicating the effect of a restriction contained in this Order are placed or a direction to traffic is given by a police officer, that restriction shall be enforced.
9. The Council or its approved contractor or approved authorised person(s), may, in exercise of its statutory powers and/or duties and in order to facilitate the holding of the event, remove any unauthorised Vehicle(s) found to be parked or causing a nuisance and/or obstruction on the Roads.
10. In this Order –  
  
“Motor Vehicle” means a mechanically propelled vehicle intended or adapted for use on the Roads as defined in Section 185 of the Road Traffic Act 1988  
  
“Vehicle” means a Motor Vehicle or any other vehicle unless specifically exempted by the provisions of this Order
11. The Roads fall in various Parishes/Wards in the Tewkesbury Borough, Cotswold District, Stroud District and Gloucester City within the County of Gloucestershire
12. This Order shall come into operation on the 9<sup>th</sup> day of September 2022 and shall continue in force for a period not exceeding three days
13. The Roads in Schedule 1, Schedule 2 and Schedule 4 are expected to be closed and/or restricted between the hours of 00:01 and 23:59.
14. The Roads in Schedule 3 are expected to be closed and restricted approximately between the hours of 10:00 and 16:30 on a rolling programme. The presence of approved signage will indicate when the closures and restrictions are in force. This Order can permit the closure of the Roads in any order, or simultaneously as required.
15. The Roads listed in Schedule 1, 2 and 3 are indicative. This Order permits the closure of other roads should the route for the Men’s Tour of Britain Cycle Race 2022 need to be diverted due to emergency requirements, defects to the highway network, inclement weather. The presence of approved signage will indicate where and when the closures and restrictions are in force.

16. This Order may be cited as "Gloucestershire County Council  
Temporary Closure and Restriction of Various Roads, Various Parishes/Wards  
Tewkesbury Borough, Cotswold District, Stroud District & Gloucester City Men's Tour of  
Britain Cycle Race Special Event Order 2022"

17. In the event of any inconsistency or ambiguity between the content of this Temporary Order and any existing permanent/experimental Order(s) imposing restriction(s) on the Roads or diversion routes the latter will be suspended for the duration of the event and the provisions of this Temporary Order shall prevail during that period.
