

A46 Teddington Hands roundabout electrical work

We'll be carrying out electrical lighting works on the A46 Teddington Hands roundabout as part of our safety improvement scheme. Our work will consist of replacing the street lighting cables on the roundabout to help mitigate the likelihood of any outages and other cable and electrical faults at this location.

We'll work from **20 February 2023** to **7 April 2023**, Monday to Friday. Our work will be carried out overnight when traffic volumes are lower between **9pm and 6am**.

To carry out our work safely, our work will be carried out under two phases as outlined below:

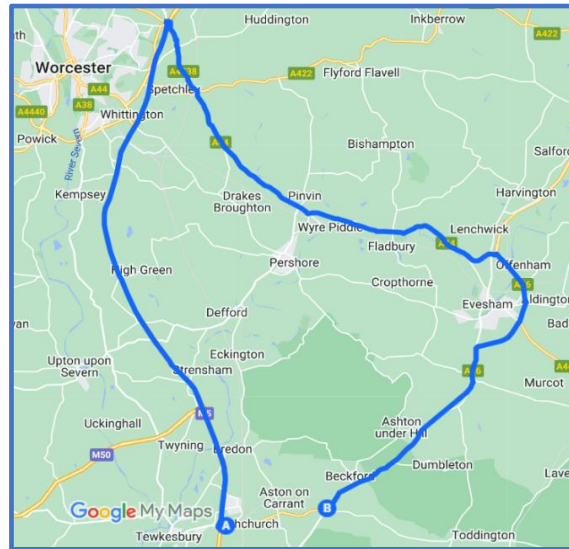

Phase 1 - 20 February to 20 March 2023 - full closure of the A46 between Aston Cross and Teddington Hands, including three-way temporary traffic lights on A345 and B4077.

Phase 2 - 21 March to 6 April 2023 - Four-way temporary traffic lights on Teddington Hands roundabout and a full closure of Crashmore Lane and two-way temporary traffic lights on the A435.

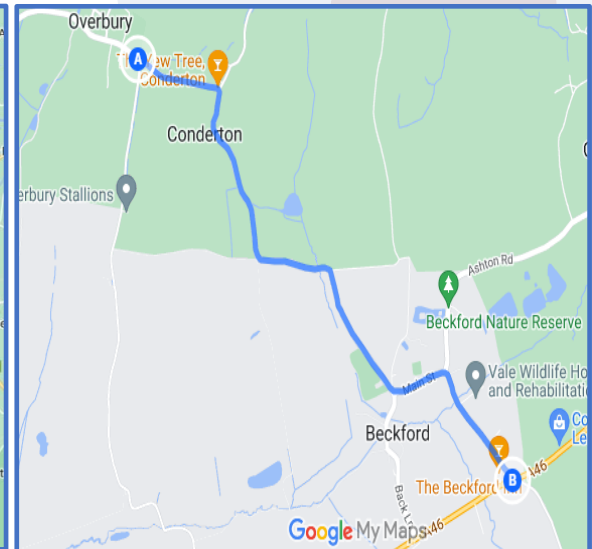

Our ref: 615129 A46 Teddington Hands roundabout electrical works

A fully signed diversion route will be in place during our work.

Phase 1 Diversion

Phase 2 Diversion

Emergency vehicles will have access throughout. Access will also be maintained to frontages throughout our work.

Our planned road work may be subject to change due to weather conditions or unforeseen circumstances.

Note: M5 southbound will be closed overnight from J5 to J8 from Monday 6 March to Friday 10 March for additional works. Due to this, A46 southbound traffic will be diverted from M5 J6 to J8 via A4440 and A38 during this time.

If you would like further information about this work, please contact National Highways Customer Contact Centre on 0300 123 5000 open 24/7, or email: info@nationalhighways.co.uk
