The committee agreed that they were happy for stickers but they should not be bigger than A4 and they would prefer a mix of the two styles. The committee requested that the Conservation Officer be approached for their opinion.

A member of the public attended, they live near Derek Graham and was horrified at the way the trees at the edge of Derek Graham were pollarded. They reported it to the Town Council and it was sorted. ## TEWKESBURY TOWN COUNCIL

### **E&A 23/009 To review the work programme and agree any actions**

The work programme was reviewed and the following items were discussed:

- Tewkesbury Borough Council repairing carousel links at Warwick Place
- Mixed waste bin has been installed at Manor Place.
- Bus shelter has been installed at the Odessa – Cllr Cody has received positive comments from residents around the Odessa.
- Play Ranger sessions – due to staffing levels only able to provide two in the summer – these will be on the Vineyards, as they have historically been the best attended. Question has been raised about session for 2024.

It was RESOLVED to approve seven sessions as follows- four during summer holidays 2024 and one each in October half term 2024, February half term 2025 and Easter holidays 2025 at a cost of £545 per session.

Proposed by Cllr Baddams, seconded by Cllr J Raywood.

- Vehicle Activated Sign has been repaired and is ready to go back out.
- Swap boxes are being made by Men's Shed Project.

### **E&A 23/010 To receive updates on Play Areas and agree any actions**

#### **i. Derek Graham Memorial Park**

Severn Trent consider the reinstatement good enough and are paying a final £100 compensation. There are no health and safety issues remaining. A decision was made to not pursue this issue any further, as it is unlikely to provide beneficial and will just use officer time.

The committee discussed the first steps for the refurbishment of the Derek Graham Park. There is £20,000 in Earmarked Reserves and £5000 in Playground Projects. This will enable the Council to apply for grants; if required, as you must have some funding of your own to start a project. In addition, you need to show that the proposed changes are driven by the community, rather than imposed on them. The Assistant Town Clerk has worked with Cllr Robertson to create a non-biased questionnaire of what people might like.

The committee discussed groups in Newtown that could be contacted, and this includes, the WI, Boys' Brigade, Girl Guides, Tirlbrook School, Tewkesbury School, nurseries, gyms, dance lessons held at the squash club. Need to identify a place for leaflets to be dropped back to – The Canterbury or the garage? Need to include St Nicholas' Church as their parochial

## TEWKESBURY TOWN COUNCIL

parish includes Newtown. Questionnaire drop in Wheatpieces and Walton Cardiff, as many people use Derek Graham as their nearest park. Form should be downloadable, so that it can be completed and emailed back.

Arrange a drop in date in the park for residents to come and share their thoughts and ideas. Potentially use other entertainment e.g. circus skills workshop to bring people to the park.

### ii. Mitton Play Area

Question regarding the surface at Mitton. Sand needs to be reapplied, usually in the region of £600 and this needs to be done every two years. Committee are happy for this to take place under delegated authority when the exact costs are received.

**Action:** Quote to be obtained for replacing the surface with wetpour.

### iii. Warwick Place Play Area

It was RESOLVED to replace two swing seats at Warwick Place at a cost of £299.37. Proposed by Cllr J Raywood, seconded by Cllr Danter.

The committee discussed the issue of the litter at the park. The Council already provide a litter pick twice a week and there are signs on both entrance gates to the park about picking up litter. The issue is not bin capacity, rather people not caring.

**Action:** Ask PPNP if litter picking is something they would be able to support.

### **E&A 23/011 To receive an update on the vandalism issues at Spring Gardens**

The Assistant Town Clerk provided an update and advised that the police have taken action following the vandalism that was recorded in the Anglo-American Remembrance Garden. The same individual are those that have been seen on CCTV around Spring Gardens and the theft of toilet rolls and CCTV evidence has been reported to the police.

Two individuals are taking part in six month restorative justice programmes.

### **E&A 23/012 To discuss and agree the work to be undertaken on the Arrivall Sculptures**

It was RESOLVED to undertake the following work at a cost of £1700:

- Copper capping of end grain and horses' backs, using copper strips and nails
- Clear preservative coating to be applied to complete structures
- Grind off excess threads, make and fit new bolt oak covers

Proposed by Cllr Sztymiak, seconded by Cllr J Raywood.

**TEWKESBURY TOWN COUNCIL**

**E&A 23/013 To agree next steps for the repair / replacement of the Gupshill bus shelter**  
The visibility issue for the bus shelter has been investigated. It was concluded that a clear bus shelter would provide no better visibility than the current one.

It was RESOLVED to delegate authority to the Assistant Town Clerk to get the roof replaced up to a cost of £1000.

Proposed by Cllr Sztymiak, seconded by Cllr Baddams.

**E&A 23/014 To consider the emergency / winter plan and update as required**  
Cllrs discussed the current emergency plan and ballast bins. It was noted that the current plan was quite long and did not fit well with Tewkesbury Borough Council's emergency plan. It was felt it could be more helpful to individuals; as it is primarily a flooding emergency plan, by including flood risk preparation for households.  
**Action:** Assistant Town Clerk to provide an initial revision for the committee to consider.

The meeting closed at 7.30pm
