

# Tewkesbury goes **Wild**

1 - 31 July

Some things to remember when attending Tewkesbury goes Wild events

## **Be prepared for the conditions**

- Dress appropriately for the weather - hats, suncream, boots, raincoats etc
  - We recommend wearing long trousers to help prevent tick bites
  - Bring water with you, and a packed lunch where necessary
- Some events are weather-dependent so may not go ahead if extreme weather is forecast

Some events are available for prebooking-only, please see the full calendar for booking information to avoid disappointment on the day

We ask that dogs be kept under control and on-lead when attending events; dog-friendly events will be highlighted, so please check the full calendar before bringing your pooch along with you

For accessible parking in Tewkesbury, please see the [Accessible Gloucestershire website](#)  
Please also check the full calendar for any accessibility notes

Take extra care by roads and waterways

Take all your litter home with you

Please do not disturb nature – this includes walking off marked paths, picking wildflowers and deliberately causing damage

**As most events are outdoors there will be limited facilities, please plan ahead**

**To sign up to [WilderGlos](#) use the QR code below**  
**You can log your Tewkesbury Goes Wild actions and earn green points!**
